

CARE PARTNER/ DRIVER AGREEMENT

Care Partner/Driver

I understand and acknowledge that Grand View Surgery Center at Harleysville (“GVSCH”) and any of its affiliates, requires that any surgical procedure(s) I undergo at GVSCH facility I have a Care Partner/Driver. Care Partners/Driver shall be defined as adult 18 years or older and of able mind and body who aids and accompanies a GVSCH patient through the entire surgical process at GVSCH.

My Care Partner/Driver must be fully capable of:

- Providing me physical support as I walk and get in and out of bed, a car and/or a chair
- Providing me with medications and meals
- Driving and transporting me to and from any and all my surgery related appointments.

My Care Partner/Driver must be deemed suitable by GVSCH; he or she must agree to assume all necessary duties and responsibilities for my care until after my postoperative appointment.

I understand and acknowledge that my selected Care Partner/Driver understands instructions communicated. I understand and agree I am responsible to advise GVSCH of my Care Partner/Driver’s language barriers in advance of my scheduled date of any surgery and agree to reasonable alternatives communicated by GVSCH.

I understand and acknowledge that I will have a Care Partner/Driver accompany me on the day of my surgery and that my Care Partner/Driver will remain with me for a minimum for 24 hours after discharge from my surgical procedures.

My Care Partner/Driver acknowledges that they may leave the Center, but are to stay within the shopping center complex that GVSCH resides in. My Care Partner/Driver must check in and out with reception staff to acknowledge that they are leaving the center. My Care Partner/Driver must carry a cell phone that **is turned on and volume on loud** to insure phone calls are received by GVSCH.
